

B&F Subcommittee
September 25, 2008
Meeting Minutes

Present: Chuck McKinney, Frank O'Connell, Dr. Alan Genovese

The meeting convened at approximately 7:00PM

Dr. Genovese distributed a document outlining the discussion regarding Prescott and the administration's proposal to relocate to Prescott from the Tarbell school. The document addressed many of the open issues regarding this proposal. B& F members commented on the document, which will be presented to the school committee.

Dr. Genovese mentioned an initiative to encourage staff and students to develop new energy saving ideas.

Dr. Genovese discussed the letter provided by a member of the community listing several questions concerning various aspects of the district. He indicated that the administration was in process of addressing these questions and B&F members provided input on how best to encourage interested parties to become more engaged with the committee via meetings and reviewing material posted on the district website.

The meeting adjourned at approximately 7:40PM.

Respectfully Submitted,

Chuck McKinney
B&F Chair
