The employee will receive a copy upon signing the document. Any documentation of a verbal warning shall be expunged from the employee's personnel file after eighteen (18) months if within that time the employee has received no other warnings.

Notwithstanding the forgoing language in this section, in the interest of promoting new programs and more efficiencies, the Union agrees that it will not grieve any changes related to implementing these new programs or efficiencies.

2. The purpose of this procedure is to secure at the lowest possible administrative level, equitable solutions to the problems affecting the welfare or working conditions of the employees. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of this procedure.
3. Nothing contained herein shall be construed as limiting the rights of any employee having a complaint to discuss the matter informally with any appropriate member of the administration and to have the problem adjusted without the intervention of the Union.
4. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as maximum. The time limits specified may be extended only by mutual agreement of the respective parties or their representatives.
5. If at the end of ten (10) working days following the incident giving rise to the grievance (or when the employee should reasonably have had knowledge of such incident), the grievance shall not have been properly presented at Level One, the grievance shall have been deemed to have been waived, and shall not be eligible for further processing.
6. Subject to the foregoing, all grievances must, in all cases, be processed in accordance with the steps, time limits and conditions herein set forth. If either party fails to meet any deadline, the grievance shall be considered denied by the employer or waived by the Union.

Level One: An employee with a grievance shall present it in writing to the immediate supervisor, either directly or through the Union, within ten (10) working days following the incident giving rise to the grievance or when the employee should reasonably have had knowledge of such occurrence.

Level Two: If the grievance is not resolved to the satisfaction of the grievant or the Union within ten (10) working days after submission at Level One, the grievant or the Union may present the grievance in writing to the Director of Business and Finance within ten (10) days thereafter. The Director of Business and Finance shall give his/her written response to the grievance within ten (10) working days following the conclusion of the meeting.

Level Three: If the grievance is not resolved to the satisfaction of the grievant or the Union within ten (10) working days after submission at Level Two, the grievant or the Union may present the grievance in writing to the Superintendent within ten (10) days thereafter. The Superintendent or his/her designee and the employee, and if the employee so elects, representation from the Union, shall meet to discuss the grievance within ten (10) working days after receipt of the written grievance. The Superintendent shall give his/her written response to the grievance within ten (10) working days following the conclusion of the meeting.

Level Four: In the event that the grievance shall not have been satisfactorily disposed of at Level Three, or in the event that no decision has been rendered within ten (10) working days after the meeting at the previous Level, the Union may appeal the grievance in writing to arbitration by written notice to the Committee or Superintendent of such intention to appeal within ten (30) working days of the disposition at the previous Level. Arbitration will be conducted by the American Arbitration Association with the cost of arbitration borne equally by the district and the bargaining unit.

ARTICLE 20 SENIORITY

Seniority is the length of an employee's service in the Groton- Dunstable Regional School District within the bargaining unit. Unless otherwise specified, seniority shall accrue from the date of employment in a permanent full or part-time position. Continuous time worked as a substitute, prior to appointment to a permanent position, shall accrue for the purposes of the probationary period and seniority status.

Seniority shall be terminated for any of the following reasons:

- > voluntary quit
- > discharge
- > absence for more than one year due to illness, unless authorized >• failure to return to work upon expiration of leave of absence, unless authorized

Seniority, which has been terminated, shall be restored to any employee who returns to employment within eighteen (18) months of his/her separation. For purposes of this section, such restored seniority shall be considered as if it were "worked continuously."

ARTICLE 21 LAYOFF AND RECALL

When it becomes necessary to decrease the working force within a specific job classification, the Committee will reduce said force in accordance with an employee's seniority and evaluation and training, as identified in a scoring system that provides for 50% of the scores relating to seniority and 50% relating to evaluation and training. Appendix A (Maintenance Performance Evaluation) and Appendix B (Food Services Performance Evaluation) will serve as the basis for the establishment of "Layoff Points"

for the purposes of this article. The scoring system is outlined in both Appendix A and Appendix B.

The performance evaluation process for all employees will begin in the 2015-2016 fiscal year, beginning in July 2015, and will conclude no later than June 30, 2016. The scoring system and layoff points will not be used until the completion of the first year of performance evaluations.

In the event that two employees have equal layoff points within a given classification, the order of layoff shall be determined by the flip of a coin.

Recall shall be in inverse order of layoff, i.e., the employee last laid off in a given classification shall be the first recalled into that classification. Employee recall rights shall expire after one and a half (1 1/2) years from the effective date of layoff. In order to avoid the layoff of an employee, the bargaining unit will be offered an opportunity to suggest an alternative to layoff (i.e. Reduction in Hours). Proposed alternatives must be acceptable to the Committee, agreeable to all employees and accomplish the desired result.

ARTICLE 22 VACANCIES

The committee reserves the right to determine when a vacancy has occurred and to determine whether it will be filled. Vacancies include openings in existing positions and new positions covered by this contract.

When a position covered by this contract becomes vacant, or a new position is created, this position shall be posted on the bulletin board in each school and in the Superintendent's Office for a period of five (5) working days. Employees wishing to be considered for such position shall notify the committee in writing within five (5) working days after the initial posting date.

The selection of any employee to fill the position that results in a promotion shall be based on qualifications and ability. Where candidates are considered equal in ability and qualifications, seniority shall be the determining factor. In the event that no qualified employee applies, the district may advertise and recruit to fill the vacant position.

In the event that two or more employees apply for a vacancy within their same classification seniority shall be the determining factor. Where seniority is equal, a coin toss shall be used as a tiebreaker.

Notwithstanding any language in this Article to the contrary, the Union agrees that the Committee and/or Designee has a right to determine how a vacancy is filled, whether a vacancy is filled and further that any vacancy or additional positions may be filled by whichever private food service management corporation is in place managing the food service program at Groton-Dunstable. If the positions are filled by whichever private food service management corporation is in place managing the food service program at Groton-Dunstable, such individuals will not be part of this bargaining unit.

ARTICLE 23 TRANSFERS AND TEMPORARY ASSIGNMENTS

A transfer shall be defined as a move from one site to another site and shall not be accompanied by a loss in pay, benefits, or hours, unless said employee has elected to do so knowingly.

If any employee requests a transfer, the Committee will accommodate such request if a voluntary switch can be so arranged.

The Committee has the right to temporarily assign its employees to other work classifications or locations, not to exceed thirty (30) days. Such employees will retain seniority, benefits and pay rate. In the event the assignment is in a higher pay grade, the employee, after serving four (4) consecutive days will receive the higher pay rate from the first day of the temporary assignment until the temporary assignment is terminated. The Committee will transfer the least senior employee from the selected work site where it is determined that staff is available.

The Committee may permanently transfer an employee to other work classifications or locations based upon the needs of the system. A permanent involuntary transfer will be made only after a meeting between the employee and the Superintendent (or his/her designee) at which time the employee will be notified of the reasons for the transfer. The employee may request a member of the union to be present at such meeting. Such transfers shall be made only for the good of the system and shall not be made for arbitrary, capricious, or punitive reasons.

ARTICLE 24 PROBATIONARY EMPLOYMENT PERIODS

ARTICLE 26 EMPLOYEE TRAINING

Management is to pay for the ServSafe Training. If failed after two attempts employee should take it again at their own expense and would be required to pass it within 12 months of employment.

ARTICLE 27 EMPLOYEE EVALUATION
